

Industrial Molds Group

All of us at Industrial Molds Group would like to say thank you to our many valued customers. As the holiday season is upon us, we want to let you know how much we appreciate all of you who have given us the opportunity to work with you in helping you find creative solutions to your most challenging mold requirements. Together we've weathered the ups and downs of the recession and the uncertainty of the last few years. We are aware of how important it is to work together collaboratively as we keep striving to be more competitive, more customer service oriented and more in tune to our individual customer's needs.

Our commitment to you in the coming year is to continue to maintain the quality, precision and innovative design that has made Industrial Molds Group a leader in the mold manufacturing industry in the U.S. Through better technology, the creative expertise, skills and dedication of our employees, we look forward to serving you throughout 2012.

We hope that everyone has a wonderful holiday and we look forward to the success that we can accomplish together in the future.

Industrial Molds and other members of the AMBA proudly support iWarriors. Please click on the link below to found out more about the organization and how you can help the Marines of the 3rd Battalion 5th Marines based at Camp Pendleton, CA.

PARDON OUR DUST

Industrial Molds will be performing shop maintenance and building improvements the week of December 26th-30th. As most of our employees will be enjoying the holidays they will have limited availability to emails and voice messages. We do not plan on taking in anymore work during that week as we are at capacity with the shop maintenance.

PLASTEC WEST FEBRUARY 14-16, 2012

Industrial Molds will be exhibiting at the Plastec West show in Anaheim, CA in February. Stop by our booth, #4049.

HAPPY HOLIDAY'S

Sincerely,

Industrial Molds, Inc.
